With a final worksheet of 15-11, the first winning season in four year competition, the 1970-71 basketball Pirates won the hearts of many new fans in the college community, the city and throughout the Coastal Empire.

Highlights of the year included a win over the College of Charleston in the second annual Kiwanis Bowl, regular season victories over Baptist College and the University of the South, a homecoming victory over Florida Tech, a second place finish in the Geechee Classic and third place trophy in the eight team PhibLant Holiday Invitational Tournament in Norfolk, Virginia.

The Pirates, averaging 84 points per game, played before a record number of fans during the year. In addition to good home game attendance, ASC basketball was beamed live into untold thousands of coastal empire homes on seven different occasions by WJCL Television. It marked the first time an ASC team has ever played on television and was the first live sports telecast of any local sport.

The Pirates got off to a slow start, losing four straight after winning the season opener. In mid-December, following a loss to Stetson University, the team got it all together against Florida Tech to register a convincing 98-75 victory. In order, ASC then beat Chapman College (Orange, Calif.), Mansfield State (Mansfield, Pa.), Loras College (Dubuque, Iowa), North Georgia College, Georgia College, the College of Charleston and the University of North Carolina at Wilmington before Southern Tech stopped the winning streak at eight, the longest for a Pirate team.

It was a year for breaking records and senior guard Steve Holland led the assault. Steve set single game, season and season average records in scoring. He hit 40 points against the College of Charleston, had 622 for the year and averaged 23.9 per game. David Rich became the second player to amass 1,000 career points. David finished with 1,022. Robert Bradley and Larry Burke became the first two players to claim 500 career rebounds but Tom Jenkins was the top rebounder for the season with 193.

Front row: Lance Green, Howie Leon, Brad Becker. Back row: Coach Alexander, Steve Holland, Larry Burke, Dennis Pruitt, Robert Bradley, Jody Lang, Stan Sammons, Loren West, Tom Jenkins, Ron Hancock, Mark Mamalakis, Charlie Clark, Frank Durdin, David Rich, Coach Kinder.

INTRAMURAL SPORTS

This year more people participated in Intramurals than any past year. The Student Intramural Council, with Coach Bedwell coordinating most events, established an ambitious and varied program of sports for students. Fall Quarter saw football leagues for men and women, a weightlifting contest, and tournaments in badminton, bowling, and table tennis. During Winter Quarter there was competition in volleyball and basketball. The Armstrong "500" bicycle race for women, swimming, softball, golf, and tennis were the main intramural events for Spring Quarter.

BASEBALL

It was hard to recognize the Armstrong baseball team. Only four returning lettermen, Dennis Pruitt, Buddy Hardy, Mark Mamalakis and Bobby Beebe were left over from the 1970 club. Even the head coach, Tom Kinder, was new.

Still, there was considerable optimism of a winning season on the diamond as the cold, windy days of winter gave way to the moderate Savannah spring weather. Even the gnats seemed enthused about the pending season and the tasty morsels that would be romping around their field.

As the season got underway only 15 players remained on the roster and all but three were either freshmen or sophomores. Coach Kinder had only three pitchers to work with and for the first time there was a shortage of right handed players.

The schedule was cut to 22 games by Kinder because he feared the prospects of working more with the limited number of players he was to have. Pruitt of course assumed his usual position on the hill and Jim Harte, a senior who played three years ago as a freshman, and Pat Holland, a rookie, joined the "Iron Man" on the pitching corps.

Beebe, Greg Bell and Mike Higgins vied for catching honors. Mamalakis was counted on as the regular first baseman and Roy Smith, Ronnie Hulse, Linn Burnsed and Tom Yarbrough combined to round out the infield. Hardy, Steve McNeil, Tom Beytagh and Danny Burgstiner made up the outfield.

Front row: Steve McNeil, Hank King, Pat Holland, Buddy Hardy. Back row: Coach Kinder, Dan Burstiner, Linn Bursed, Roy Smith, Bobby Beebe, Tom Beytagh, Ron Halsey, Greg Bell, Mark Mamalakis, Steve Freeman, Jim Haute, Dennis Pruitt.

PHI KAPPA THETA

Phi Kappa Theta was founded in 1899 resulting from the union of two local fraternities on the Lehigh and Brown University campuses. With chapters located from East to West and North to South, the brothers of Phi Kappa Theta strive for leadership, high ideals, and brotherhood.

The fraternity was colonized on the Armstrong State College campus October, 1968. Since then the brothers have participated in activities which develop individuality while insuring group unity. The fraternity placed second in the men's intramurals in 1970. Mike Gilpin was selected as Southeastern Expansion Director. PI KAPPA ALPHA

1970—Year of Dedication to
PiKA

In 1935, one Sigma Kappa Chi Fraternity was founded on the ASC campus. It was the oldest and last fraternity to give up its local name. When the privileged opportunity arose, the men of Sigma Kappa Chi chose wisely to share the ideals and aspirations of **Pi Kappa National Fraternity** on November 15, 1970.

Pi Kappa Alpha welcomes every opportunity to broaden its talents through selectivity and mutually beneficial bonds, and strives wholeheartedly to excel.

Members of PKA are inspired with a spirit of ambition and endeavor which extends not only through the college years but into their future.

Fourth row: Jim Brotherton, Larry Hearn, Eddie McCumber, Jim Mercer, Chuck Davis, Steve Yarborough, Elliot Butler, Bobby Bell, Billy Downs.

1970 is an important year in the life of PiKA Colony as we began our first year of existence on the Armstrong campus. Every phase of the colonization operation provides an opportunity for each member to perform and develop leadership, initiative and self-confidence.

Pi Kappa Alpha encourages its men to participate in extracurricular activities offered on campus. Some of these examples are shown here. In class office elections Pi Kappa Alpha brothers were elected to these offices: Joe Smith, President of Freshman Class—Chuck Clanton, Senator for Freshman Class—Joe Upchurch, Vice-President of Sophomore Class—Billy Butler, Junior Class President and Greek Fraternity Editor and Jim Brotherton's—Who's Who of American Colleges.

Pi Kappa Alpha's Sweetheart, Linda Walker, was third runner-up in the Miss Geechee Pageant, and fourth runner-up was Valerie Tarver, one of Pi Kappa Alpha's Pikettes. They also excelled by becoming co-champions in intramural football.

Through the leadership of the officers, Pi Kappa Alpha has advanced in all phases of Armstrong State College life.

PI KAPPA PHI

Pi Kappa Phi Fraternity was founded on December 10, 1904 at the College of Charleston, Charleston, South Carolina. Spring Quarter of 1969, Pi Kappa Phi was colonized on the Armstrong campus. The eighteen charter members were initiated on March 20, 1970. Joining the ranks of Pi Kappa Phi are twelve little sisters that help add dignity and grace. The Brothers, pledges and their dates enjoy a well rounded social life featuring a Founder's Day Banquet and the Annual Rose Ball. You'll find Pi Kapp's in all phases of campus life including Student Government and Intramurals.

**... We're for the Birds
and we'll go out of
our way to prove it!**

Trees are our lifeblood at the Savannah Plant. That's why we normally plant more than 20 million seedlings a year . . . that's why we give them tender, loving care . . . that's why we strive to prevent forest fires.

But every tree is not "just a tree."

There is, for example, a tall pine in the Seminole Forest of northern Florida that doesn't qualify as "just a tree." As a matter of fact, it's something special. A pulpwood harvesting crew, hard at work on Union Camp land, discovered this recently.

The flight of two magnificent American eagles attracted the worker's attention skyward. The destination of the birds, it turned out, was a giant nest near the top of what abruptly became "a tree among trees."

The decision of Company officials? . . . DETOUR!

Because such nests are said to be used by successive generations of the great birds, THE PINE TREE and surrounding trees were left standing in anticipation of future use.

Yes, sir, we need pulpwood, but who are we to tell American eagles they can't live in our neck of the woods.

ARMSTRONG IS . . . PEOPLE.

Armstrong is . . .

students, faculty and administrators, their lives on and off the campus. It is part of a growing up, of becoming mature in our own world and of broadening our horizons to the world of others. The 1971 *Geechee* has focused on this. We hope that everyone found at least a part of his life at Armstrong in the preceding pages.

A special thanks to every staff member.

Lou, what would I have done without you? Mr. Naylor and Mr. Buck were always there with helpful advice. Thank you, Bob, for all the pictures.

Armstrong is . . .
